

World Family Office Forum | Americas

March 2026

The Plaza, New York, USA

The Event

The World Family Office Forum | Americas is an exclusive business event, uniting the region's leading business families and single family offices.

Overview

The Summit is an essential event for elite family office principals and senior family office leadership from across the Americas, looking to stay ahead in the world of wealth, business, and investments.

Over two days, delegates have the opportunity to:

- Forge valuable connections with like-minded family offices fostering business synergies, co-investments and collaboration.
- Gain insights from your peers navigating the intricacies of investments, and the nuances of regional collaboration.
- Engage with global asset managers, banks and intermediaries to explore unique investment opportunities and strategies.

The Summit is hosted by Connect Group, a world-leading business events organizer renowned for its specialized focus on family office gatherings. Connect Group ensures a fusion of global perspectives and regional expertise at each of our events.

High-level

The Summit maintains a high-level delegation of family business owners, family office principals and their senior management and investment teams representing single family offices from across Europe.

Exclusive

A minimum 70% of the event delegation consists of family offices, and a maximum 30% of asset managers and intermediaries, ensuring a highly exclusive, family office led dialogue, and an environment that promotes effective relationship-building between participants.
